Keith excited at TAB upgrade

Frankton TAB chief Keith Cornes has been eagerly awaiting the upgrade of his facilities.

"The support we have received from the followers of racing in the club has been tremendous and I think we all deserved to have some improvement made in the area in which we spend so much of our time. It's great that many of our regular customers from the club have now become friends of the staff and the interaction between the two makes for extremely pleasant working conditions."

Keith, in his role as a national representative, has been busy working on behalf of all TAB agents as they work to improve and satisfy betting requirements. The achievements of Sunline, Ethereal and Lyell Creek, just to name three stars, has brought racing to the notice of more people and Keith aims to maintain the market growth. He thanks club members for their patience during the alterations and looks forward to serving them well in the future.
