HOST RESPONSIBILITY POLICY

The management & staff of the HAMILTON WORKINGMEN'S CLUB believe we have a responsibility to provide an environment that is not only comfortable & welcoming but also an environment where alcohol is served responsibly. Because of this the following Host Responsibility Policies have been implemented

We provide and actively promote a range of non-alcoholic drinks incl. low alcohol beer, fruit juice, soft drinks, tea & coffee. Water is available free of charge at all times. Signage and menus indicating this will be visible at all times.

Outside areas will be deemed as supervised areas at all times that alcohol is being consumed there. Management reserves the right to refuse service of alcohol to outside patrons.

If there is any doubt as to someone's age, identification will be checked. Acceptable forms of I.D. are – HANZ 18+ card, Photo Driver's License, Approved Photo I.D., Passport. - Underage guests will be asked to leave the premise.

Patrons who are visibly intoxicated will not be served alcohol. Alternatives will be offered including food, water, or tea & coffee. Staff are trained to recognise signs of intoxication and practical interventions. Staff are instructed to not serve alcohol to patrons they suspect are becoming intoxicated either directly or indirectly through friends.

Patterns of drinking will be closely monitored. Stockpiling, Boat races, drinking challenges or overzealous cocktails will not be allowed as they invariably lead to intoxication.

We promote the use of alternative transport. The Club operates a fully licensed Courtesy Bus service. Dial a driver services are available. Phones are available free of charge for arranging alternative transport. Staff may request the surrender of car keys should this be deemed necessary.

We expect all Patrons to conduct themselves in an orderly and proper manner at all times. If patrons spoken to do not adhere to our requests then we will ask and insist that they leave the premise immediately. Failure to comply may jeopardize future entry.

We are committed to ensuring that ALL staff receive thorough, up to date training, and resource materials relating to all aspects of their work including the Sale and Supply of Alcohol Act 2012 and Host Responsibility.

OUR AIM IS TO PROVIDE A SAFE & ENJOYABLE ENVIRONMENT
